

# 2018 CAPITAL CUP FOR KIDS DONATION FORM

The Capital Cup for Kids will once again benefit Ronald McDonald House Charities of the Capital Region. Between players, families, friends and co-workers we raised over \$94,000 last year...truly an amazing amount of money for the Ronald McDonald House!

All of the funds raised at this year's Capital Cup for Kids will once again go directly to RMHC's Families First Fund. While it costs RMHC \$80 per night to House each of their families, they never ask their families to pay for any of the services they provide. In an average year, RMHC provides over 6,500 room nights, which equates to \$520,000 in direct expenses. The money raised at the 2017 Capital Cup for Kids will be used to cover these rooming expenses as well as expenses that the families incur while dealing with the serious illness of a child. These expenses range from much needed medication to gas for cars to get back and forth from hospital visits.

Please consider making a donation to Ronald McDonald House Charities of the Capital Region in the name of one of the participating teams. All donors will be listed on the team's individual fundraising website of your choice. A \$100 donation will make you an official sponsor and your name/business will be listed in the tournament program as well as on the team's website. A \$250 donation will get you a quarter page ad in the tournament program as well as your name/business listed on the official Capital Cup for Kids website.

Yes, I want to support Ronald McDonald House Charities' mission to promote the health and well-being of children and their families through the Capital Cup for Kids!
